## *Message from the Host*

Greetings,

Welcome to the Southside Classic. Your presence, spirit and support indicates your excitement and anticipation of the football game between Tallahassee's two Southside high schools – Rickards High School and Florida A&M DRS.

The outcome of tonight's football contest in no way suggests what the future holds for either student body. The future of every student is what they prepare to make of it. This is why the pages dedicated to educational resources are being made available in this booklet. Please keep this book and use it as a guide to assist you in securing financial help in pursuing higher education opportunities.

I wish to thank Superintendent Pons, the District Office, Dr. Michelle Gayle, principal of Rickards and Dr. Ronald Holmes, Superintendent of FAMU DRS for their support of the Southside Classic wealth of activities. And to our Corporate Sponsors and individual supporters, we are appreciative for what they have contributed.

The Southside Classic of Leon County had a very bright future so long as its youngest residents prepare in earnest to become productive citizens who care about themselves and others.

Enjoy the information presented and may we long cherish the memories of the two great high schools – Rickards and FAMU DRS.

Sincerely,

Bill Proctor  
President  
Southside Classic, Inc.

## Financial Aid Resource Guide

The Southside Classic, Inc. was established to bring awareness about educational and career opportunities to the residents of south Leon County, with a focus on students in grades 6 through 12. Numerous studies have shown that people who pursue some form of higher education will earn significantly more during their lifetime than someone with a high school diploma. In today's competitive market, higher education is no longer a luxury, but a necessity to survive in this global economy.

The following scholarships and grants are only available to students who complete and submit the appropriate applications by the deadlines. All students are encouraged to file **the Florida Application for Financial Aid (FFAA)** to apply for state grants and scholarship and the **Free Application for Federal Student Aid (FAFSA)** to apply for federal financial assistance. The links to these online applications as well as their deadlines on listed on the following page.

*Financial Aid...
